Conversation Starters

snip, shuffle, and pull one on every call — ages 5 to 12

01 What made you smile today?

02 If our pets could talk, what would yours say?

03 What's the silliest word you know right now?

04 Tell me about the best (or worst) lunch you had this week.

05 If you could add one slide to the playground, what would it do?

06 What book, show, or game are you into these days?

07 What's something that surprised you lately?

08 Hide something behind your back and let me guess what it is.

09 Teach me a hand game we could play through the screen.

10 If you built a robot, what three buttons would it have?

11 What would you do with a whole rainy Saturday indoors?

12 What's your favorite spot in your room or classroom?

13 Show me your happy dance, quick!

14 What do you think I was like at your age?

15 If we swapped dinners tonight, what would I be eating?

16 What song should I learn the words to before we talk again?

17 What's something you're looking forward to soon?

18 If your toys came alive at night, what would they do first?

19 What's a sound you love hearing?

20 Draw a quick doodle and show it to me in one minute.

21 What's the funniest thing that happened this week?

22 If you were in charge of school for a day, what's the first rule you'd make?

23 What are you really good at that we haven't talked about yet?

24 Invent a brand-new ice cream flavor for me. What's in it?
