Conversation Starters

snip, shuffle, and pull one on every call — for teens

01 What song, show, or game has your attention right now?

02 What's something you've gotten better at this month?

03 If you could master any skill overnight, which one would you pick?

04 What's a plan you're excited about?

05 Who's someone at school who quietly makes everything better?

06 What's a trend you secretly find ridiculous?

07 What did you learn recently that most grown-ups don't know?

08 Free Saturday, no chores allowed — what's the move?

09 What's a song on repeat for you these days?

10 What's something you're proud of but never brag about?

11 What should I know about that happened this week?

12 What advice would you give me about phones or technology?

Conversation Starters

snip, shuffle, and pull one on every call — for teens

13 If you could redesign one school rule, which one?

14 What's a goal you're working toward, even quietly?

15 What do you wish adults understood better?

16 What's the funniest thing you've seen online lately?

17 Which class would you shorten, and which would you make longer?

18 What hobby would you try if time and money weren't a problem?

19 Where do you want to travel someday, and why there?

20 What's a meal someone makes that always feels like home?

21 What would you recommend I watch or read next, and why?

22 If you started a shop or channel someday, what would it be about?

23 What's a kind thing you saw someone do recently?

24 What's a question you wish I'd ask you?
